

European Energy Exchange AG - Energiebranche

> eex group EEX Group develops world-leading market platforms to enable trading of energy and commodity products, such as power, natural gas, environmentals, freight, metals and agriculturals as well as offers subsequent clearing and registry services through our dedicated entity, ECC. We provide access to a network of more than 800 trading participants across our 21 locations on three continents. We are part of Deutsche Börse Group. #GoingGlobal

Working Student (f/m/d) Communications & Marketing Focus: Sustainability

City: Leipzig; Starting Date: At the earliest possible; Duration: 3-4 semester;
Remuneration: 14€ in Bachelor programme, 15€ per hour in Master programme

Working field

You will work closely with the Sustainability Committee Co-chair to prepare for and facilitate regular meetings across EEX Group. In addition, you have the opportunity to support specific initiatives or workstreams within the committee. As you will be within the marketing department, you will also collaborate with different marketing teams to create internal communications related to sustainability efforts within the Group and educational materials on ESG-related topics that other departments can use. We particularly welcome individuals who can take initiative to proactively learn and bring new ideas and projects to the table. After all, we value the exchange of ideas, being there for each other and encouraging each other to become better. We call it: the exchange mindset.

Requirements

- Ongoing Bachelor or Masters studies on environmental sciences, public policy, energy, business administration, or communications at a University in Germany
- Demonstrated interest in sustainability or environmental initiatives (whether through studies or other work)
- Strong English and German language skills
- Have the ability to learn new tools and processes quickly
- Organisation skills, analytical thinking, and attention to detail
- Diversity awareness and people from underrepresented groups in Germany are strongly encouraged to apply

What We Offer

- An attractive hourly wage (14€/h during Bachelor, 15€/h during Master)
- A good work-life balance thanks to flexible working hours
- Flexible mobile working arrangements
- A place in a dynamic and international team within the EEX Group and Group Deutsche Börse
- A perspective in the constantly growing and developing energy industry
