

## **European Energy Exchange AG - Energiebranche**

**> eex group** EEX Group develops world-leading market platforms to enable trading of energy and commodity products, such as power, natural gas, environmentals, freight, metals and agriculturals as well as offers subsequent clearing and registry services through our dedicated entity, ECC. We provide access to a network of more than 800 trading participants across our 21 locations on three continents. We are part of Deutsche Börse Group. #GoingGlobal

### **Business Economist (f/m/d) Energy and Commodity Markets**

Betriebswirt\*in (w/m/d) Energie- und Rohstoffmärkte

Stadt: Leipzig; Beginn: Frühestmöglich; Dauer: unlimited; Vergütung: Industry standard

#### **Aufgaben**

Would you like to experience, operate and help shape trading on the leading energy exchange? Then you've come to the right place! You will be working in one of the core areas of EEX, the Market Operations of the exchange. In our Developed Power Markets & Global Commodities team, you will be primarily responsible for the orderly trading and settlement of financial products on energy and commodities worldwide.

Your main task will be the operation of the EEX Group's markets, very close to our customers from the international energy and financial sector, providing support about trading relevant questions when it comes to the functions of our tools used and the content of the products we offer. In addition, you should always keep an eye on the development of our processes, contributing to their continuous improvement. Apart from day-to-day business, you will be able to develop your area of responsibility and contribute with your expertise in supporting projects and assisting with product launches in trading systems and market applications. You will be able to work either in the office or remotely according to our hybrid working model.

You will also get a lot back from your team for all your outstanding achievements. Because we value sharing ideas, being there for each other and making each other better. We call it the exchange mindset.

#### **Voraussetzungen**

- Completed university degree e.g. in business administration or energy management, finance or comparable qualification
- Very good written and spoken English skills
- Enthusiasm for Energy Market and interest in building up your knowledge
- Capability to learn fast
- Passion for customer and service orientation and strong communication skills
- Good problem solving skills
- Flexibility and reliability is key for the success of our team and you can bring that to the table
- Appreciation to work in a young and dynamic team

## Unser Angebot

- Attractive salary package
- Flexible hybrid work concept
- Personal development through extensive training opportunities
- A place in a dynamic and international team within EEX Group and Deutsche Börse Group
- A long-term perspective in the constantly growing and evolving energy industry
- Bespoke onboarding plan
