M&A Project Manager - limited to 12 months

City: Leipzig; Starting Date: At the earliest possible; Duration: 12 months limited contract;
Remuneration: Industry standard

Working field

In your role you will be responsible for leading M&A projects within our team of M&A experts. With focus on driving inorganic growth of all our business segments, you are responsible to analyse, plan and execute selected M&A initiatives for various companies belonging to EEX Group. You will interact with our business leaders worldwide and work closely with the senior management of EEX Group and Deutsche Börse. As an experienced project manager you will collaborate in a team of M&A project managers, connect with the local start-up scene and liaise with our group-wide M&A and venture capital team. Your ideas and expertise will contribute to the successful development of our organisation and our business. After all, we value the exchange of ideas, being there for each other and encouraging each other to become better. We call it: the exchange mindset.

Requirements

- University degree in economics, business, finance or equivalent
- First experience in corporate finance or investment banking, with knowledge of the energy sector as an advantage
- Experienced in leading all M&A processes including due diligence, financial modelling, valuation, contract negotiation, management presentations and transaction closing
- Experienced in organizing and leading international M&A projects, including interdisciplinary team work with a proven track record of transactions
- Excellent analytical skills, target-oriented and entrepreneurial mindset
- Excellent communication skills both written and verbal in English, with knowledge of German as an advantage

What We Offer

- Attractive salary package with many benefits including childcare facilities, meal allowance, job ticket, sport and recreational events
- Flexible mobile working arrangements
- Personal development thanks to extensive further training opportunities
- A place in a dynamic and international team within EEX Group and Deutsche Börse Group.
- A long-term perspective in the constantly growing and evolving energy industry
