

Max Planck Institute for Human Development - Center for Adaptive Rationality

MAX-PLANCK-GESELLSCHAFT

Der Forschungsbereich für Adaptive Rationalität (ARC) vereint eine interdisziplinäre, internationale Forschergruppe, die sich aus Wissenschaftlerinnen und Wissenschaftlern der Psychologie, Neurowissenschaften, Ökonomie, Philosophie, Biologie und Mathematik zusammensetzt. Wir untersuchen, wie Menschen und andere Lebewesen – ausgestattet mit begrenzten kognitiven

Ressourcen – in der Welt und im Gedächtnis nach Informationen suchen und wie sie Entscheidungen treffen, wenn wenig Zeit für sorgfältiges Nachdenken bleibt.

Student Research Assistant: Center for Adaptive Rationality

The Center for Adaptive Rationality directed by Ralph Hertwig at the Max Planck Institute for Human Development (Berlin) is seeking applicants for a position as Student Research Assistant to assist the ongoing research in all phases of the scientific process. Research assistants are usually employed on a basis of 60h a month. The position lasts for 6 months minimum and will be prolonged given mutual interest. The anticipated start date is June 1st 2025 or later. The remuneration without a Bachelor's degree is 13,08 €/h (Research Assistant), in the Master's degree 15,02€/h (Scientific Assistant).

City: Berlin; Starting date (earliest): 01/06/25; Duration: 6 months; Remuneration: The remuneration without a Bachelor's degree is 13,08 €/h (Research Assistant), in the Master's degree 15,02€/h (Scientific Assistant).; Closing date: 30/04/25

Working field

The Center for Adaptive Rationality directed by Ralph Hertwig at the Max Planck Institute for Human Development (Berlin) is seeking applicants for a position as Student Research Assistant to assist the ongoing research in all phases of the scientific process. Research assistants are usually employed on a basis of 60h a month. The position lasts for 6 months minimum and will be prolonged given mutual interest. The anticipated start date is June 1st 2025 or later. The remuneration without a Bachelor's degree is 13,08 €/h (Research Assistant), in the Master's degree 15,02€/h (Scientific Assistant).

Requirements

Enrolled in a Bachelor's or Master's program at a German university (psychology, cognitive science, computer science, or related field).

High in flexibility and commitment.

Strong organizational skills.

Good level of English. German is a plus.

Effective communication abilities.

Very high achievement level.

High interest in participating in research at the intersection of psychology and artificial intelligence.

Desired qualifications:

Experience in programming and data analysis (R or Python).

What we offer

The Center for Adaptive Rationality is investigating various aspects of judgment and decision-making. We offer you the chance to participate in an international and interdisciplinary research team. Research assistants will be involved in research at the intersection of psychology and artificial intelligence.

Application

The Max Planck Society strives for gender and diversity equality. We welcome applications from all backgrounds. The Max Planck Society is further committed to increasing the number of individuals with disabilities in its workforce and therefore encourages applications from such individuals.

Please send your application electronically to Dirk Wulff (wulff@mpib-berlin.mpg.de) using the subject line "Application Student RA ARC". Your application should include the following documents in a single PDF document: (a) a short motivation letter, (b) CV without a photo, and (c) relevant school/university certificates and references. Applications are considered until the position is filled.

Here you will find the data protection declaration for the processing of personal data within the scope of your application. https://www.mpib-berlin.mpg.de/1589569/en_infos_bewerbung-23-01-17.pdf
