

E.ON Inhouse Consulting GmbH

E.ON Inhouse Consulting

E.ON Inhouse Consulting (ECON) is the internal consultancy of the E.ON Group. We solve the most complex tasks of the new energy world - making a lasting contribution to shape E.ON into a green, customer-centric and digital energy solution provider. Our international team consists of 100 consultants with extremely diverse academic backgrounds and a broad range of experience. This is the perfect combination to guarantee excellent, sustainable results and plenty of fun during our projects. E.ON's top management entrust us with managing the most crucial topics to the Group - from initial strategy development to final implementation. We support the Group's business units across all sectors, from renewables to sales and customer solutions. Our teams are currently involved in helping to develop new innovative products, in driving digitalization and in improving customer experience in our international projects. In addition, we have a long track record in business development and process optimization.

Women's Day 2025

Brilliant Minds, Bright Futures: Women in Consulting transforming Energy

City: Milano; Starting Date: 26/03/25; Closing date: 02/03/25

Working field

We believe the future is bright, and we have the chance to shape it by empowering the leaders of tomorrow. Many of these brilliant minds are women, yet they remain underrepresented, particularly in consulting. Our goal is to bring more female perspectives to this traditionally male-dominated field, fostering diversity and driving innovation.

Join us in Milano for Women's Day 2025, an inspiring event dedicated to empowering women in consulting. Unlock your potential, enhance your leadership skills, and explore your role in shaping the future of energy.

Requirements

- You are an enrolled Master's student, a PhD or MBA candidate, or a young professional with an outstanding academic record
- You have already gained some basic hands-on experience in the international arena - providing you with initial insights into the consulting sector and/or energy industry
- You are inspired by business challenges and enjoy solving complex problems for the benefit of society
- You are curious and can't wait to apply your theoretical knowledge to transform the energy industry
- You speak fluent English and German (at least B2) and are highly communicative within a team

What We Offer

- Exclusive insights into consulting and the explorative energy industry.
- Networking with inspiring and experienced women in consulting.
- A steep learning curve through a guided case and business training.
- Outstanding team spirit, characterized by internationality, diversity, mindfulness and fun.

Women's Day will feature two days of immersive training in Milano, followed by a visit to our Italian headquarters on the third day.

All expenses related to the event (travel, accomodation) will be reimbursed.
