

KptnCook GmbH

We are a diverse team of passionate foodies with backgrounds in app development, nutrition science, design—you name it! But one thing unites us all: our love for good food.

Product Management Intern (M/W/D)

Become part of the talented crew behind Germany's most successful cooking app. We are on a mission to get everyone cooking with quick, easy, and delicious recipes. We are looking for a Product Management Intern who is passionate about mobile apps and supports delivering the best user experience to our users.

Stadt: Berlin; Beginn frühestens: Frühestmöglich; Vergütung: 800 €

Aufgabenbeschreibung

- You collaborate with product managers, developers, and designers to define requirements and priorities for upcoming features.
- You contribute to the planning and execution of product projects, ensuring smooth coordination between teams.
- You track project timelines and milestones, ensuring tasks are completed on schedule.
- You assist in gathering and analyzing user feedback to inform product decisions and improvements.
- You participate in cross-functional meetings, providing updates on project progress and addressing potential challenges.
- You help prepare and maintain project documentation, ensuring all stakeholders are aligned and informed.

Erwartete Qualifikationen

- You have the ability to manage tasks effectively and keep track of project details.
- You communicate in a clear, concise way with team members and stakeholders to ensure alignment on project goals.
- You're good at Project Planning and helping to define project scope, timelines, and schedules.
- You can be adaptable and proactive in finding solutions to project challenges.
- You're studying business administration, management, computer science, or similar subjects.
