

H3 Health Hub (HZI)

H3 Health Hub - A Helmholtz Transfer Academy - ist ein gemeinsames Programm der sechs Helmholtz-Gesundheitszentren. Gemeinsam unterstützen wir Forschende, Mitarbeitende und angehende Entrepreneurere beim erfolgreichen Transfer von Ergebnissen aus dem Labor in die Anwendung. Wir bieten eine Plattform für Vernetzung, Weiterbildung, Veranstaltungen und gemeinsame Projekte in diesem Bereich. Unsere Partner aus den regionalen Life Science Ökosystemen sind in den gesamten Prozess eng eingebunden. Unser Team besteht aus Expert:innen für Technologietransfer, Innovationsmanagement und Personalentwicklung aller Helmholtz Health Zentren, um den gesamten Entwicklungsprozess der potenziellen Entrepreneurere abzudecken. Darüber hinaus werden wir von einem Expertenbeirat unterstützt, der uns strategisch berät

Student Assistant for the Entrepreneurship program H3 Health Hub (40 hours/month)

We are looking for a motivated student to assist our H3 Health Hub program management team as soon as possible. H3 Health Hub is a Helmholtz Transfer Academy dedicated to bring innovative research results from lab to business. Are you interested in helping us to take entrepreneurship in the life sciences to the next level? Would you like to work remotely in a multi-centric, cross-disciplinary program and get hands-on with digital marketing and administration tools? Are you ready to dive into the fascinating world of health innovation in the Helmholtz association and beyond? Then, our job offer might be just right for you. Join our team!

City: Braunschweig; Starting date (earliest): 15/04/25; Remuneration: depending on BA or MA; Closing date: 30/04/25

Working field

Job description:

You will assist our program managers in

- sending out newsletters and information material in different online systems (e.g. e-mail, Slack, Zoho Campaigns)
- administrating events online (e.g. Indico, website)
- research and entering data into online databases (e.g. customer relationship management (CRM) system, website)

Requirements

Your profile:

- Enrolment at a German university is a prerequisite
- Strong proven interest in Entrepreneurship (experience, workshops and/or formal training)
- Excellent command in English, good command in German is a plus
- Experience and interest in working with digital tools

- Strong team player, proactive communication style

What we offer

Remote work and fast learning in a young and enthusiastic team in life science entrepreneurship.

Application

Please send your CV (mandatory) and an letter of intent with your motivation to Christian.brandstetter@helmholtz-hzi.de
