

Softwaregini

Softwaregini is a VC-backed B2B startup that develops an innovative and integrated enterprise SaaS platform for AI-driven IT selection. Our platform saves time and costs by being seamlessly integrated into your IT processes and using AI to automate resource-intensive tasks in your technology decision-making process. We empower organizations to make better technology decisions faster and with less effort. For this mission we are looking for you!

Founders Associate Intern (m/f/d)

City: Berlin; Starting Date: At the earliest possible; Remuneration: by agreement

Working field

As a Founders Associate intern you will support our founding team with both operational and strategic issues. Your tasks will include:

- You work directly with our customers to understand their goals, needs and use cases
- You'll connect with leading software providers and expand our partner network
- Plan and monitor progress, follow up with partners and ensure timely execution of all tasks required so that our clients are successful
- You will work with Softwaregini's product team to improve and evolve our product
- You will manage your own projects in various areas

Requirements

You are resilient, creative and reliable. You don't give up and find new ways. Your qualifications include:

- A pursued degree in business administration, business informatics or similar.
- First professional experience in a startup or as an IT consultant, account executive, account manager or customer success manager in the IT industry
- A great deal of self-confidence, empathy and sensitivity in dealing with others
- Self-starter with a strong sense of ownership and a nothing-is-impossible attitude
- A high level of enthusiasm for enterprise software and SaaS
- A passion for new technologies and enthusiasm for working with our customers to solve IT decision-making problems
- Business fluent in German and English
- Excellent communication skills and a customer-oriented mindset

What We Offer

A modern and attractive office in the center of Hamburg (Stadthöfe, 20355 Hamburg) or Berlin (Prenzlauer Berg)

- Home-Office allowance of 50 EUR gross / month
- 30 days of vacation / pro rata temporis
- Day off on your birthday
- Days of learning & innovation (10% of your working hours)
- Quarterly Get-Together-Events

We look forward to receiving your application and meeting you in person!
