

Technische Universität Berlin

Technische Universität Berlin offers an open position:

Research Associate (PostDoc) - salary grade E13 TV-L Berliner Hochschulen

Part-time employment may be possible; under the reserve that funds are granted

Faculty II - Institute of Chemistry / Department Organic Chemistry/Biological Chemistry

Reference number: II-4/25 (starting at 01/03/25 / limited until 29/02/2028 / closing date for applications 07/02/25)

Working field:

Contribution to research in above research laboratory in the field of Medicinal Chemistry and Drug Optimization within a collaboration project with the Max-Delbrück-Center (MDC, Berlin-Buch). Application of drug design methods and structure-activity-relations based on organic synthesis and peptide synthesis; experimental supervision of project relevant Bachelor and Master students; active contribution to the self-organization of the research team.

For further information on the position, please contact Mrs Winter:

E-mail: kati.winter@tu-berlin.de Phone: +49 (0)30 314 -78774

Requirements:

- Successfully completed university studies (Master Diploma or equivalent) in chemistry, biochemistry, pharmacy or life sciences
- Doctoral degree in natural sciences with a specification in organic synthesis
- Experience in lab work
- Good knowledge of German and/or English required; willingness to acquire the respective missing language skills

Please send your application **stating the reference number** with the usual documents (letter of application, CV, copies of certificates) as a PDF document (max. 5 MB) by e-mail to the office of Prof. Süßmuth (Ms Winter, kati.winter@tu-berlin.de).

By submitting your application via email you consent to having your data electronically processed and saved. Please note that we do not provide a guarantee for the protection of your personal data when submitted as unprotected file. Please find our data protection notice acc. DSGVO (General Data Protection Regulation) at the TU staff department homepage: https://www.abt2-t.tu-berlin.de/menue/themen_a_z/datenschutzerklaerung/.

To ensure equal opportunities between women and men, applications by women with the required qualifications are explicitly desired. Qualified individuals with disabilities will be favored. The TU Berlin values the diversity of its members and is committed to the goals of equal opportunities. Applications from people of all nationalities and with a migration background are very welcome.

Technische Universität Berlin - Die Präsidentin - Fakultät II, Institut für Chemie, FG Organische Chemie, Prof. Dr. Roderich Süßmuth, Sekr. TC 2, Straße des 17. Juni 135, 10623 Berlin
