

## ELINTA CHARGE

Elinta Charge is a top European EV charging equipment manufacturer, with our innovative solutions powering sustainable mobility in over 45 countries—from Iceland to Australia! Known for timeless design, advanced engineering, and superior customer service, our products include the award-winning CityCharge public charging stations and HomeBox residential solutions. With R&D and production facilities in Lithuania, our charging stations meet the highest quality standards (ISO, IEC, Eichrecht) and feature smart software like our proprietary Elios.Cloud.

### **Working Student Opportunity at Elinta Charge! Hey, Future Sales Leaders!**

Are you ready to ignite your career in sales with hands-on experience at a global leader in e-mobility?

City: Kaunas; Starting date (earliest): At the earliest possible; Remuneration: 16€/h;  
Closing date: 25/04/25

#### **Working field**

What You'll Get to Do:

- Master Sales Fundamentals: Gain hands-on experience with real-world sales projects, from prospecting to customer engagement.
- Learn from the Best: Work alongside seasoned sales professionals and learn cutting-edge strategies to close deals and build relationships.
- Work remotely with a German Market: Engage with clients from diverse industries and regions, promoting innovative e-mobility solutions.

#### **Requirements**

Who We're Looking For:

- You're studying Sales, Marketing, Business, or a related field.
- You're a go-getter with excellent communication and interpersonal skills.
- You thrive in a fast-paced environment and are excited by the challenge of exceeding goals.
- You're passionate about sustainability and the EV industry.
- You have a laptop and phone that you can use for work.

## What we offer

- Paid Opportunity: This working student position offers a salary of €16.00 per hour plus potential bonuses.
- Career Growth: Impress us with your skills; you might secure a permanent position after the working student position.

## Application
